

Introducing Sun Dome

Get more use out of your Spa. Use in the winter and take off in the summer; you won't believe the heat retention it has. Call for more details! 856-234-7799

If you own a spa or hot tub, the **Spa Enclosure** is perfect for year-round protection from the elements. It will keep off cool breezes, rain, and keep the air temperature warm while you enjoy your tub.*

The ***Hottest*** Dome cover is made from a 12 mil double polished clear vinyl, and frame is made from 1" aluminum tubing. Convenient screened-in windows allow for cross-ventilation and keep out bugs.

domes are not meant to take a snow load.
