

Top-Up Your Family's Spa Experience

- Privacy and seclusion when you want and need it
- Ease of use and ease of entry
- Adding value to your spa investment
- Safety in the lock down position
- Peace of mind while away
- Protection from the elements thereby preserving the life of your spa
- Increases the value of your investment
- Minimal water evaporation thereby saving on water, chemicals and heating of the spa
- Similar to a garage door system, minimal horsepower is required, lowering the costs and wear and tear on components
- Never replace your spa cover again

Combining your spa with an automated hot tub privacy gazebo and cover allows you to use your spa more and to reap the benefits of hydrotherapy.
